

TECHNICAL CIRCULAR No. 351 of 10th July 2016

To:	All Surveyors/Auditors
Applicable to flag:	All Flags
Subject:	Class suspension
Reference:	CONARINA Instruction

The class will be suspended when:

- If recommendations issued by the Surveyor are not carried out by their due dates and no extension has been granted,
- If Continuous Survey items which are due or overdue at the time of Annual Survey are not completed and no extension has been granted,
- If the other surveys required for maintenance of class, (other than Annual, Intermediate or Special Surveys), are not carried out by the due date and no Rule allowed extension has been granted, or
- If any damage, failure, deterioration, or repair has not been completed as recommended.
- Upon failure to submit any damage, failure, deterioration or repairs for examination upon the first opportunity or, if proposed repairs, have not been submitted to the CONARINA Head Office and agreed upon prior to commencement.

The class is automatically suspended:

- If the Annual Survey is not completed by the date which is three (3) months after the due date, unless the vessel is under attendance for completion of the Annual Survey, or
- If the Intermediate Survey is not completed by the date which is three (3) months after the due date of the third Annual Survey of the five (5) year periodic survey cycle, unless the vessel is under attendance for completion of the Intermediate Survey, or
- If the Special Periodical Survey is not completed by the due date, unless the vessel is under attendance for completion prior to resuming trading.
